## Guidance Document Information

<b>Title</b>	2021 Person-Centered ISP Guidance
<b>Document ID</b>	DD 1
<b>Summary</b>	In response to the need for quality Person-Centered Individual Support Plans (PC ISPs) that meet all regulatory requirements and expectations, DBHDS is issuing this guidance for writing and reviewing PC ISPs. The methods and practices described here are expected to lead to more success with person-centered planning. This paper details changes in thinking and writing to improve outcomes for people with DD Waivers in Virginia. Questions may be directed to: Eric Williams, eric.williams@dbhds.virginia.gov, or (804) 786-3921.
