Right Help. Right Now.
Medicaid Behavioral Health Services Redesign Webinar

Join the Department of Medical Assistance Services (DMAS), the Department of Behavioral Health and Development Services (DBHDS) & the Department of Health Professions (DHP) for a project update to include announcement of new services and corresponding rates. This informative webinar will help behavioral health providers, state and local human services agencies, and health plans understand what is ahead and prepare for the scheduled implementation on July 1, 2026.

Register Now:

Webinar Date and Registration

- ☑ Monday, July 21, 2025, 10:00am-12:00pm:

  Click here to REGISTER

Webinar Topics:

- ☑ New Services and Rates
- ☑ Rate Assumptions
- ☑ Current Proposed Timeline for implementation
- ☑ Provider Readiness Survey
- ☑ Next Steps

Please Note: The registration capacity for this webinar is a maximum of 1000 individuals. DMAS recommends consolidating registrations for those individuals that are employed with the same agency under one person and watching/listening together. This will help maximize our capacity and allow as many stakeholders as possible to attend at once. For those that are not able to attend, the presentation will be recorded and posted to the Virginia Medicaid YouTube Channel: (Virginia Medicaid). The slide deck will be posted here: Medicaid Behavioral Health Services Redesign
